HER MAJESTY'S THEATRE

Summary of Conditions of Entry

We look forward to welcoming you to Her Majesty's Theatre!

The purpose of these Conditions of Entry is to ensure the enjoyment and safety of all visitors to Her Majesty's Theatre. You must comply with these Conditions and follow the reasonable directions of Her Majesty's Theatre staff, as well as any signage in relation to your entry and use of the premises.

Please note, Her Majesty's Theatre reserves the right to deny entry, or remove any person from the Venue, at any time.

Have your ticket ready. Everyone entering the theatre must hold a valid ticket for the duration of your visit.

Latecomers. Due to the nature of live performance, trying to find your way to your seat once a show has started can disrupt both the audience and the performers on stage. Therefore, most performances have a lockout period which restricts anybody from entering the auditorium until a suitable break in the performance.

The use of cameras, recorders, and mobile phones is prohibited. Light from your phone is noticeable to performers and patrons, and ringing phones are disruptive to the entire theatre. Please switch off your devices prior to the performance commencing.

Her Majesty's Theatre practices the responsible service of alcohol. Any breaches of our liquor license or our responsible service of alcohol may result in refused service, refused entry or removal from the theatre.

Her Majesty's Theatre values the safety of all patrons. Security cameras operate throughout the theatre; you and your belongings may be searched on entry; and certain items are prohibited or restricted in what may be brought into the Venue. A list of our security precautions is available below.

Please follow the directions of our staff and signage at the Venue. We are here to ensure everyone has a safe and enjoyable experience. You must pay close attention to, and comply with, all health and safety directions and protocols, including those related to capacity limits, mask-wearing and social distancing. If you do not comply with our directions and protocols, you may be asked to leave the Venue immediately without refund or further recourse.

Please be mindful of the other patrons in the auditorium. If you compromise the health, safety or experience of any person (including patrons and staff) with abusive behaviour or failure to abide by the conditions of entry, you may be relocated, refused entry or removed from the theatre. If you feel that your enjoyment of an event is being compromised or your health and safety is being

put at risk in any way or by the actions of another person, please contact our staff immediately so that we can try to find a solution.

We aim to provide a COVID Safe Venue. Our comprehensive COVID Safe Plan control measures include frequent cleaning, social distancing, and contact tracing to keep everyone in the Venue safe. Despite this, there remains a risk of transmission, and you enter the Venue at your own risk.

Stay at home if you are unwell. Please **do not** attend the Venue if you are experiencing or exhibiting any [symptoms of COVID](#), are required to be in quarantine or isolation, or have been in contact (or suspect you have been in contact) with someone diagnosed with COVID. We reserve the right to refuse you entry to the Venue (or require you to leave the Venue) without refund or further recourse if we suspect you have not complied with this requirement.

Practice social distancing. Please ensure you are keeping a minimum distance of 1.5m from others at all times (or such other distance that we may nominate).

Practice good hygiene and respiratory practices. You must adopt good hygiene and respiratory practices at all times. Hand sanitiser is available throughout the Venue. Wearing an approved fitted face mask is a requirement.

Notify us of any COVID symptoms. If you develop any symptoms of COVID while attending the Venue or within 14 days of attending the Venue you must contact us immediately on (03) 8643 3300 or via e-mail on admin@hmt.com.au

Provide your contact details. We may be required by law to collect and disclose your personal information to public health authorities to assist with contact tracing purposes. You must provide us this information if we request it. We will take all reasonable steps to keep your contact tracing information secure.

You accept risks of entry. We aim to provide a safe Venue; however, you enter the Venue at your own risk and are responsible for any personal belongings.

If there is any inconsistency between the General Terms and the Special Terms, the Special Terms will prevail to the extent of the inconsistency. All other terms and conditions continue in full force and effect.

These Special Terms may be updated from time-to-time in line with relevant state and federal government guidelines, public health directives and other government law, regulations or directions.
